Dear Sir ,

Thank you very much for your letter of 17 march 1982
we appreciate greatly your help about all these subjects .

Preparing an historical work about Camp of ROYALLIEU
(COMPIEGNE)during World War II , Professeur LEPRETRE has to research details about
a mission of 3 U.S. soldiers (paratroops ?) dropped over French department of
OISE in april 1944 : near CREIL or BEAUVAIS or COMPIEGNE .

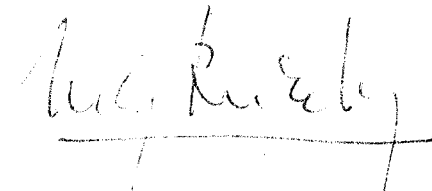

O S S Mission or Mission BEGGAR ?
Their names : BEUGNON , MARTIN , BASSETT .

They had to search for NOBALLS (places where V I were
catapulted) to prepare bombing .

I was personally in this Camp of ROYALLIEU in March and
April 1943 , and later on , in MAUTHAUSEN Concentration Camp (Austria) ; I have
been working 2 years in LOIBL PASS TUNNEL near KLAGENFURT ; our pleasure was to
look at hundred of your planes flying from ITALY to GERMANY , just over our heads
in 1944 , when we were working out of the TUNNEL .

Nearly 40 years ago ... but we do not forget ...

Yours sincerely .
